FEBRILE NEUTROPENIA

"A single fever of 38°C or above in a child with a neutrophil count of less than $0.5 \times 10^9/l$."

Febrile Neutropenia is a medical emergency. If at ANY time your child has a temperature of 38°C or above or is generally unwell

Contact the Children's Assessment Unit (CAU) on

01603 289774

You will need to attend CAU for urgent assessment.

HOLIDAYS

If you are going out of area (even for a day) please inform our Nurse Specialist team with at least 48hours notice so they can contact the local hospital and give you any necessary information in case of emergency
