Deposit Protection Scheme Procedures

1. Introduction

1.1. Rationale

Norfolk and Norwich University Hospitals NHS Foundation Trust (NNUHFT) Residences provides accommodation for its medical/administrative staff, NICU parents, visiting scientists/research fellows and visitors. The accommodation is provided either on a short term (nightly) or long term (stays over 28 days) basis.

As stated by government legalisation, all landlords taking deposits from tenants on assured shorthold tenancies in England and Wales must use one of the approved custodial deposits schemes (TDP) which DPS is. The NNUHFT as a Landlord, has legal obligations as set out in the Housing Act 2004, to ensure the tenants deposit is protected lawfully.

The deposit scheme was introduced to recoup some of the costs associated when rooms were left damaged and required repair or refurbishment.

1.2. Objective

The aim of this SOP is to provide appropriate detailed procedures to enable the designated office staff to process deposits for tenants staying within the NNUHFT Accommodation.
