A INTRODUCTION

- (i) Section 3 of the Trust's Constitution provides that the powers of the Trust shall be exercised by the Board of Directors. Certain powers have been reserved to the Board for its collective decision and these are specified in the Schedule of Matters Reserved to the Board which forms the Section B of this document. Other powers and responsibilities are delegated to specified post-holders within the Trust by virtue of the Trust's Constitution, Standing Orders, Standing Financial Instructions or through the Terms of Reference of Committees established by the Board of Directors.
- (ii) All those powers of the Trust which have not been reserved by the Board, or delegated to a Committee of the Board, or otherwise delegated in the documents referred to above, are exercised on behalf of the Board of Directors by the Chief Executive. The Chief Executive will exercise some of those powers personally whilst others may be delegated by the Chief Executive to nominated officers. That delegation of authority is set out in this Scheme of Delegation.
- (iii) The delegation shown herein is the lowest level to which authority is delegated. Delegation to lower levels is only permitted with the specific agreement of the Chief Executive. If there are a series of obviously linked transactions, the delegated limits should be applied to the accumulated value of those linked transactions.
- (iv) Staff should be aware that agreements they make with the apparent authority of the Trust may be binding on the Trust even though they have exceeded the limits of authority set out herein. Acting beyond the limits of delegated authority set out in this Scheme may therefore expose the staff member to disciplinary procedures and, in exceptional cases, may leave the individual personally liable for any losses incurred by the Trust. **In cases of doubt as to the application of this Scheme of Delegation, staff should not hesitate to take advice from the Trust Board Secretary or Chief Finance Officer.**
- (v) In this document the following abbreviations are used:

CEO – Chief Executive
CFO – Chief Finance Officer
CGC – Clinical Governance Committee
COG – Council of Governors
SFI(s) – Standing Financial Instructions
SO(s) – Standing Order(s) for the Board of Directors
