## Workplace Health and Wellbeing Recruitment Form

The NNUH takes the health and wellbeing of its employees very seriously. In order to ensure your health is protected it is very important that you carefully read the following information. Please complete this form and return it with your application.

### Section B

Your work placement does not involve any direct patient contact or blood / body fluid exposure.

Please answer the following two questions.

1. Do you have a health condition or a disability which could cause you any difficulties in undertaking any part of this placement?

**YES**       **NO**

2. Do you think you may require any special adjustments or require certain equipment to complete any aspect of the tasks of this placement?

**YES**       **NO**

If you have answered **NO** to both questions then you do not need to complete a Workplace Health Assessment Form, but you **must** still return this form with your application.

If your response is **YES** to either question you will be required to complete a Workplace Health Assessment form, this will be sent to you on receipt of the above information and before your work placement begins.
