CODES USED IN THIS MENU

HC Higher Calorie: more nourishing than those coded ♥ as they contain more calories. Suitable for patients with a reduced appetite.

♥ **Healthy Option:** contain moderate amounts of fat, sugar and salt. Suitable as part of a healthy balanced diet and for patients with diabetes.

EC Easy to Chew: tender, easier to cut and eat food options. Suitable for patients who have difficulty coping with firm foods (e.g. patients who have no teeth, loose dentures or sore mouth) or patients with swallowing difficulties. Refer to our modified texture menus if you need a Level 4 or Level 6 meal.

V Vegetarian: Free from meat, poultry, fish and all products derived from these. Suitable for vegetarians that consume, milk, eggs and their products. Vegan menu available.

VG Vegan: Free from all animal products including meat, poultry, fish, milk, eggs and all products derived from these. Vegan menu is available.

ALLERGEN INFORMATION

This menu has been specifically designed for patients with Coeliac Disease. All items on this menu contain 20 parts per million of gluten, or less.

FISH BONES

Although every care has been taken to remove fish bones from our fish dishes, some may remain. Therefore, please take care when consuming fish dishes. Please speak with your Ward Host or nursing staff if you have any concerns.
