CODES USED IN THIS MENU

- ♥ **Healthy Options:** contain moderate amounts of fat, sugar and salt. Suitable as part of a healthy balanced diet and for patients with diabetes.
- HC **Higher Calorie:** more nourishing than those coded ♥ as they contain more calories. Suitable for patients with a reduced appetite.
- EC **Easy to Chew:** suitable for patients who have difficulty coping with firm foods (e.g. patients who have no teeth, loose dentures or sore mouth). Refer to our modified texture menus if you have difficulties with swallowing (dysphagia).
- V **Vegetarian:** free from meat, poultry, fish and all products derived from these. Suitable for vegetarians that consume, milk, eggs and their products.
- VG **Vegan:** free from all animal products including meat, poultry, fish, milk, eggs and all products derived from these. Vegan menu available.

ALLERGY INFORMATION

If you have a food allergy or intolerance, please advise your Nurse on admission and always inform your Nurse and Ward Catering Team before you place a meal order.

CARBOHYDRATE CONTENT

If you have diabetes and are carbohydrate aware, the carbohydrate content of meals in this menu are available from your Nurse or Ward Catering Team.

FISH BONES

Although every care has been taken to remove fish bones from our fish dishes, some may remain. Therefore, please take care when consuming fish dishes. Please speak to your Nurse or Ward Catering Team if you have any concerns.
