CODES USED IN THIS MENU

- ♥ **Healthy Options:** contain moderate amounts of fat, sugar and salt. **Suitable as part of a healthy balanced diet and for patients with diabetes.**
- HC **Higher Calorie:** more nourishing than those coded ♥ as they contain more calories. **Suitable for patients with a reduced appetite.**
- EC **Easy to Chew:** tender, easier to cut and eat food options. **Suitable for patients who have difficulty coping with firm foods (e.g. patients who have no teeth, loose dentures or sore mouth). Refer to our modified texture menus if you have difficulties with swallowing (dysphagia).**
- V **Vegetarian:** free from meat, poultry, fish and all products derived from these. **Suitable for vegetarians that consume, milk, eggs and their products.**
- VG **Vegan:** free from all animal products including meat, poultry, fish, milk, eggs and all products derived from these. **Vegan menu available.**

ALLERGY INFORMATION

If you have a food allergy or intolerance, please advise your Nurse on admission and always inform your Nurse and Ward Catering Team before you place a meal order.

FISH BONES

Although every care has been taken to remove fish bones from our fish dishes, some may remain. Please take care when consuming fish dishes.

* Served with vegetables and potatoes of the day
